**NOTICE OF INTENT TO ADOPT
A MITIGATED NEGATIVE DECLARATION**

Pursuant to the State of California Public Resources Code and the "Guidelines for Implementation of the California Environmental Quality Act," as amended, the Sonora Union High School District (District) intends to adopt an Initial Study/Mitigated Negative Declaration (IS/MND) for the Classroom Modernization and Pool Construction Project.

The District Project consists of the: modernization of the Humanities and Centennial classroom buildings and the cafeteria; the construction of a new aquatics facility and parking lot on the site of the existing tennis courts; demolition of the existing pool and ancillary buildings; construction of three tennis courts; and other minor improvements throughout the project site. These minor improvements include: construction of two ticket buildings at the Dunlavy Field entrance; regrading and paving of a fire access near the cafeteria; accessibility improvements such as curbs, ramps, and handrails throughout the project site; returfing the athletic field north of Dunlavy Field; and installation of landscape and hardscape features including trees, plants, fences, gates, and walls.

This IS/MND is available to the public for a 30-day review period beginning **July 24, 2014** and ending **August 22, 2014**. Copies of the IS/MND are available for public review at the District's Headquarters at 100 School Street Sonora, CA 95370. Any written comments on the proposed project must be received no later than **Friday, August 22, at 5:00 PM**. to the attention Dr. Mike McCoy at the address listed below.

Dr. Mike McCoy, Superintendent
Sonora Union High School District
100 School Street
Sonora, CA 95370
209.533.8510

A public hearing will be held on **September 2, 2014 at 6:00 PM** to consider actions to approve the project. For additional information, please contact **Dr. Mike McCoy** at the contact information provided above.
