School on Thursday, June 8th

This year we saw record breaking snow fall in the mountains, including snow at the lower elevations that resulted in the cancellation of school on a few days. Because of this, we have to have school on our "snow make up day" and will be having school on Thursday, June 8th. We will utilize a special schedule this day. You can find the schedule at this link: [June 8th School Schedule](#)

STUDENT SPOTLIGHT DEAN BERG

This week, Sonora High School would like to recognize Dean Berg as our student spotlight. Dean was nominated by his English teacher. Dean always has a smile on his face and always tries his best. He is such a likable student and jokes around with his friends. We are proud to honor Dean as our student spotlight!

All students recognized in the student spotlight receive a free meal from Sierra Energy

There will be no school Monday, May 29th in recognition of Memorial Day.
