Back to School Night: Wednesday 9/13/23

We would like to invite you to attend our annual Back to School Night this Wednesday night, September 13th. The evening will officially begin at 6:00 pm in the Bud Castle Gymnasium and conclude at 8:00 pm. This important evening will give you an opportunity to meet your child's teacher, learn information regarding the course of study and the teachers expectations for each class, discuss methods of communication between teachers and parents/guardians, and meet key staff members to help you throughout the year.

Schedules, campus maps, and other informational items will be available in the gym beginning at 5:30. This past Wednesday, you should have brought home this [back to school night flyer](#) that will share other important information about the night. Your child should have filled out the 2nd page that includes their class schedule. We are looking forward to seeing you on Wednesday!
