Good Luck to all of our teams/athletes!!

Student Spotlight

The Math Department would like to honor Kim Alvarado for this weeks' student spotlight. Kim is a driven, engaged, respectful and high achieving student. She's really good at asking clarifying questions and always earns excellent grades. What's cool about Kim is that she loves to help her friends understand math too. Currently, Kim is earning over 107% in Math 1 for the second semester! She is a valuable asset to the Math 1 classroom and we commend her for her efforts this year. Keep it up!

All Students recognized in the student spotlight receive a free meal from Sierra Energy/Squeeze Burger

Teen Dating Violence Prevention continues to be our theme this month. Teen dating violence can be prevented. We all can help reduce risk factors by educating and empowering teens through the actions of others, including family and friends to lead healthy lives and establish healthy relationships. Healthy relationships consist of trust, honesty, respect, equality, and compromise. Let's continue to work together to teach and show students what makes a healthy relationship. Click on these links for more information. [Youth.gov](#), [Hotline.org](#)

If you are in an abusive relationship, there is help available. National Teen Dating Abuse Helpline (NTDAH): 1-800-799-SAFE (7233) or text START to 88788
