Successful Winter Sports

This week marks the end of the regular season for all of our winter sports.

Boys and Girls Soccer wrapped up the regular season last Thursday, with the Girls team earning 1st place in the Mother Lode League with a record 9-0-1. The Boys team finishing 2nd place with a record of 8-2. Both teams have qualified for the CIF SJS playoffs for which the brackets will be released on Wednesday 2/7.

Wrestling competed in the Mother Lode League Championship meet on Friday, finishing in 2nd place. Individual, the following wrestlers won MLL Championships, Dalton Benicki, George Renault and Cash Byington (pictured below from left to right). All of the 12 varsity wrestlers qualified to move on to the divisional championships this Friday and Saturday 2/9 & 2/10.

Girls and Boys basketball finish their league season this Tuesday against Calaveras with the Girls playing at home and the Boys team on the road.

Good luck to all of our teams as they begin their post season playoffs! As a reminder all playoff events utilize GoFan exclusively and cash will not be accepted at the gate.

Student Spotlight

The Social Studies department would like to recognize Miranda Garcia as this week's student spotlight. Miranda contributes consistently across campus, but most especially in English class. Whether we are discussing the historical context related to Animal Farm, analyzing songs, or taking personality quizzes for characters, Miranda is focused, engaged, deep-thinking, and hardworking. She is committed to her learning and willing to speak up when her classmates may feel a little shy. I am thankful she is in class with us!

All Students recognized in the student spotlight receive a free meal from Sierra Energy/Squeeze Burger

No School
MONDAY 2/12/24 &
MONDAY 2/19/24

COUNSELORS CORNER

"Ensuring today's students become the productive, well-adjusted adults of tomorrow!"

All Students

Our theme for the month of February is **Teen Dating Violence Prevention**. The focus this month and continually is on advocacy and education to stop dating abuse before it starts. Teens and young adults are experiencing dating violence more often than we may think. 1 in 3 U.S. teens experience physical, sexual, or emotional abuse from someone they're in a relationship with. It is important that we realize this and educate our students on the characteristics of healthy relationships. For more info see [Love is Respect](#).

We would like to present and give a huge welcome to Monique Nelson. Monique is joining our Wellness Center staff as one of our on campus therapists. She is a great addition to our team, and is excited to start working with our Sonora High school students.

Wellness Center Flex Activities: register through Enriching Students

- Feb 9 - Judge Boyak
- Feb 13- Make Up Freshman 4 Year Planning (Students who were absent and did not start their 4 year planning will be signed up for this Flex.)
