### Student Spotlight

Araceli Ramos is commended for her outstanding artwork and excellent classroom practices. A model student, Araceli maintains a positive attitude and focused attention to her artwork. While adept in various media, Araceli's colored pencil art is extraordinary. Not apprehensive about taking risks, she has a keen understanding of color and applies the colored pencil with mastery. A viewer may believe that her artwork is painting, as she layers color in a masterly manner. Araceli's compositions are creative and imaginative. It is a pleasure to have Araceli Ramos in class.
