Snow Make Up Day

On Friday, April 5th, the entire Mother Lode was surprised with a significant amount of April snow. Because of this, school was closed for the day. As a school we are required to build in snow make up days into our school calendars. Due to the closure on April 5th, we will have school on June, 6th. It will be a modified schedule that we will release soon. Please plan accordingly.

She has taken and is continuing to take Japanese classes at community college and will be a part of the Middle College program next year.
