Student Spotlight

This week, the CTE department would like to recognize Yzabelle Santiago. Yzabelle is doing great in all three of her CTE courses: Photography, Creative Computers and Ag Science. Mr. Miller says, "She is Friendly and polite and every day she goes out of her way to make sure she gives me a firm handshake at the beginning of class. She is extremely bright and hard working and because of this her class projects in Creative Computers are always top notch... so much so that when I was looking for students to work on a special project creating hats and beanies with custom laser cut patches Yzabelle was my first choice. She did a great job on the hat logo." Some students may win a hat or a beanie and get to enjoy Yzabelle's creativity. Yzabelle is a hardworking and creative student who also embodies the SHS motto Accountable, Respectful, Engaged.

All Students recognized in the student spotlight receive a free meal from Sierra Energy/Squeeze Burger
