2024 Scholarship Night

Thursday evening, Sonora High School hosted the annual Scholarship Night. This year, 121 donors recognized 93 students with over \$300,000 in scholarships! Thank you to each of the donors for their investment in the future of our students. Congratulations to the students who earned scholarships!

Student Spotlight

This week the Social Studies department selection for the student spotlight is sophomore Madilyn White who is finishing her year in World History. All year Madilyn has come to class with not only a wonderful attitude, but also a strong work ethic. She studies hard and her grades show it. We are so happy to honor her with this little nod at all her accomplishments. Thanks for being such a great student, Madilyn.

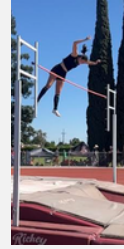

All students recognized in the student spotlight receive a free meal from Sierra Energy/Squeeze Burger.
