In accordance with Assembly Bill 3627, Chapter 1002, as it pertains to Education Code Section 41020.3, the Governing Board must review and accept the prior year's financial audit report at a public meeting. 5.K. Approve Contractors for the 2018 Informal Bid List

The District participates in the California Uniform Public Construction Cost Accounting Act. The Act allows us more flexibility for public works projects, as it allows us to use our own workforce for small projects and allows us to use the informal bidding process for projects up to \$175,000. One of the requirements of the Act is to maintain a Qualified Contractors List which must be used to notify contractors about public works projects that fall within the limits of informal bidding. Annually, advertisement is made to required agencies to solicit contractors for inclusion on the list.

5.L. First Reading with Consideration to Waive Additional Readings and Approve Revision of AR 3517 and Deletion of BP 3517-Facilities Inspection

5.M. First Reading with Consideration to Waive Additional Readings and Approve BP and AR 3551-Food Service Operations/Cafeteria Fund

Policy and regulation updated to reflect new federal guidance which mandates any district participating in the Nation School Lunch Program to adopt a written policy on meal charges, including the collection of delinquent meal charge debt. Policy and regulation also reflect new state guidance which requires district policy to ensure that students with unrecovered or delinquent meal charge debt are not overtly identified.

5.N. First Reading with Consideration of Waiving Additional Readings and Approve BP 3555-Nutrition Program Compliance

Policy updated to clarify that, although state and federal law prohibit discrimination in child nutrition programs for all protected categories, the CDE only investigates complaints of discrimination based on race, color, national origin, gender, age, and disability. Policy also reorganizes and expands the responsibilities of the district's civil rights coordinator to reflect CDE's guidebook, and updates the addresses where complaints may be submitted. (Note: CSBA has no AR recommendation.)
