### School Description

Theodore Bird High School is the independent study high school in the Sonora Union High School District. In recognition that some students can learn best in settings other than conventional classrooms, Bird High School's three teachers offer a program of independent and personalized instruction to meet the varying needs and ability levels of their students. All courses are taught via the independent study method. Students do not attend daily classes; instead, each student meets with an instructor one-to-one, at a prearranged time and place each week. The instructor assigns the student work, which is completed by the student on his/her time.

Beginning in Fall 2011 and continuing into the 2017-2018 school year, Bird High School began using APEX Learning Systems to provide on-line instruction in some core subjects. The completed work is evaluated by the instructor at the next meeting, and then more work is assigned for the next week. It is the responsibility of the student and the parent to ensure the student attends the appointment and has all of his/her work completed every week. Students are individually assigned work to meet their performance aptitude.

The school is located on the district's Alternative Education Campus at the Dome. Bird High School completed the self-study process for continued WASC accreditation in the spring of 2017 where they received a six year accreditation.

Mission Statement: Theodore Bird High School seeks to provide, within a safe and supportive environment, an individualized, academically challenging course of study, which will promote self-confidence, foster personal relationships among students and staff, provide a pathway to gainful employment and post-secondary education, and encourage in them the pursuit of life-long learning.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Theodore Bird High School is located in one portable building on the Alternative Education Campus. The school currently has three teachers: Two teach during the day and one teaches some evenings. One member of the district's Maintenance Staff provides custodial service to Bird HS as well as the rest of the Alternative Education Campus.

Parents, students and staff find the building and classrooms to be in good working order. With the reduction of staffing the work stations for the teachers and parents are extremely organized and functional.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
<b>Science</b>	52	36	66	68	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

2016-17 CAASPP Results for All Students

<b>ELA</b>	29	37	63	69	48	48
<b>Math</b>	4	5	31	38	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**2015-16 CAASPP Results by Student Group  
Science (grades 5, 8, and 10)**

Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	15	14	93.3	35.7
White	11	10	90.9	40.0

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	21	19	90.48	36.84
Male	--	--	--	--
Female	11	11	100	36.36

White	17	17	100	41.18
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	--	--	--	--
Students with Disabilities	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2017-18)

The administration and staff at Bird High School encourage parents to get involved with campus activities and their individual child's education. Parent involvement includes, but is not limited to, participating in campus technology committees, completing WASC review parent surveys and/or joining focus groups. Additionally, parents often come with their child to their appointments. They are active participants in the educational process and are participants in the site council which reviews single plan for student achievement and makes other recommendations.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Theodore Bird High School's safety plan is part of the overall Sonora Union High School District's comprehensive safety plan. The Alternative Education Campus, of which Bird HS is a part, has a full-time campus supervisor. The Bird High School staff meets periodically to discuss safety and security measures with the principal. Fire and lock-down drills are conducted on a yearly basis. Additionally, the staff at Bird High has participated in onsite ALICE training.

**Professional Development provided for Teachers**

Sonora Union High School District provides district-wide training in technology, student support services, and curriculum. Theodore Bird High School and the other Alternative Education schools and staffs are allowed to develop a more site-specific plan if needed.

Additionally, the District has developed Wednesday morning training sessions and Technology Tuesday & Thursday professional development programs. Administration and teachers from Bird High School attend many of these training sessions.

### Career Technical Education Programs

Theodore Bird High School students have access to the Sonora Union High School District C.T.E. offerings which include: Auto, Construction, Cosmetology, Culinary Arts, Digital Photography, Marketing MOCSE Credit Union. Additionally, Columbia College, our local junior college offers wild land fire fighter courses on our SHS campus.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
