## **OBJECTIVE**

To obtain a part time job while attending Sonora High School.

## **SUMMARY**

I have been volunteering with the Sonora Police Explorers for the past five years. I have developed the ability to closely follow complex directions and serve my community. I am looking for a career that will take advantage of these skill sets and enhance my career objectives of working in law enforcement.

## **EXPERIENCE**

### **ABC Construction**

**June 2013-present**

As a general contractors assistant I have worked closely with the contractor and performed duties as needed, and have obtained the following skills.

- Precise measurements of building material
- Loading and unloading gravel and building materials
- Set up forms and pouring concrete

### **Sonora Police Department Explorer**

**2010-present**

As a volunteer in the Sonora Police Department Explorer program I have performed the following duties.

- Traffic control for local events
- Event security
- Ride along with patrols to assist police personnel as needed

### **Awards and Training**

- Placed in active shooter and vehicle search scenarios as a Sonora Police Dept. Explorer
- Trained in determining impairment of drivers under the influence of alcohol

### **Tuolumne County 4-H**

**2011-present**

- Construction and removal of Halloween Haunted House
- Cooking pancakes for annual pancake breakfast

**Education****Sonora High School****2012-present**

Graduation date June 2016

**CTE Wildland Fire****August 2014-June 2, 2015****Certificates**

- 

**CTE Emergency First Responder****August 2015-June 1, 2016****Certifications**

- CPR/BLS
