The District shall consult with CSEA Chapter President or designee on the inclusion into the unit of any new, combined, or restructured classified positions created or changed after the effective date of this agreement. A standing committee will be established for the purpose of this Article by September 15 of each year. The committee will be comprised of two (2) CSEA Unit members and two (2) CSEA alternates appointed by CSEA and two (2) non-unit members and two (2) non-unit member alternates appointed by the Superintendent or designee.
- 2.3 Review of Position: Review of position may include a request to review job description, salary, reclassification, etc.

Written documentation supporting reasons for the review will be developed and signed by the employee and his/her immediate supervisor no later than February 1 of each year. If the immediate supervisor does not support the request for review of position, the supervisor's written justification of the denial must be provided within ten (10) working days. If the employee still believes a review of position process should be considered, the employee has the right of appeal to the superintendent to proceed with the request for review of position. If favorable, the documentation will then be submitted to the CSEA Chapter President for review. CSEA President's review shall be completed within 10 working days.
 - 2.3.2 If the CSEA Chapter President's review is favorable, within 5 days the Chapter President will schedule a meeting of the standing committee to discuss the request for review. The meeting shall take place no later than 20 working days following CSEA's favorable review.
 - 2.3.3 A representative of CSEA may be selected by the employee requesting the review to make the presentation to the committee. The requesting employee and his/her immediate supervisor will be present during the presentation to answer any questions the committee members may have prior to deliberations. The committee's recommendation shall be supported by no less than a three to one vote of the committee members. The findings and recommendations of the committee will be submitted to the Superintendent for action. The findings may include a new job title, a new job description, effective date, and placement on the salary schedule. The Superintendent may accept the recommendations of the committee or send the recommendations back to the committee for clarification or reconsideration. The initial recommendation of the committee will be completed

within 20 working days after CSEA schedules the meeting. Should the Superintendent send the recommendation back to the committee, the committee shall meet and respond to the Superintendent within 20 working days following the Superintendent's request for clarification or reconsideration. The recommendation of the committee becomes final once the Superintendent accepts it.

All expenses directly related to participation in the required training/in-service activity shall be paid by the District. Nothing shall preclude the employee from arranging with his/her immediate supervisor to forego reimbursement and to assume all related expenses in order to earn professional growth activity units. Any such arrangements shall be reduced to writing and signed by both the employee and his/her immediate supervisor prior to the required training/in-service activity.

8.9 Field Trips -- All time spent on duty during field trips shall be compensated at the driver's appropriate rate of pay as shown in this Agreement. The assigned bus drivers on any trip

shall exercise good judgment as to whether they should remain with the bus at all times (except to attend to physical needs). They shall perform such bus cleaning and maintenance chores as needed. The assigned bus drivers' dinner break will be one half hour which will be unpaid time. All bus drivers should notify the administrator in charge or head coach when they leave for their dinner break.

On-duty time is defined as follows: (Highway Patrol Handbook 82.7, Annex A, Rev 6-98)

All time from the time a driver begins work, or is required to be in readiness to work, until the time he/she is relieved from work and all responsibility for performing work.

On-duty time includes:

- b. Time inspecting, servicing, or conditioning any vehicle.

8.10 Differentials - Any bargaining unit members with a regularly assigned work day extending after 6:00 P.M. shall receive an additional 35 cents per hour differential pay. Any bargaining unit member with a regularly assigned work day which requires more than ten hours elapsed time for completion of the work day, or whose work day has a break of more than one hour, shall receive an additional 35 cents per hour differential pay. Bargaining unit members working field trips and/or assignments billed to outside organizations, school clubs or programs will not receive differential pay because these assignments are voluntary in nature. (Effective July 1, 2007)

8.11 Longevity -- This District agrees to additionally compensate long service employees based upon a longevity increment paid annually which is equal to 3.5% of the "base". The "base" is defined as Step 1 of the first occupied Range of the salary schedule.

ARTICLE 9

PROFESSIONAL GROWTH

The Professional Growth Article is designed to encourage classified employees to further their education and training. Such a program will benefit both the employee and the District as classified employees acquire new skills and abilities.

9.1 Eligibility

- 9.1.1 All permanent employees of the bargaining unit are eligible to participate in this program. The Units Contract Form must be completed in full prior to submission to the Superintendent or designee for final approval. Credit will be given for successfully completed courses or training.
- 9.1.2 Permanent, twelve month employees may utilize vacation days for the purpose of attending courses with the approval of the employee's immediate supervisor.
- 9.1.3 The employee must be working and not on leave of absence during the time the professional growth activity is undertaken.
- 9.1.4 Any training/in-service activities paid for by the district will not be used for professional growth credit unless an employee makes prior arrangements with his/her supervisor to forego reimbursements and to assume all related expenses in order to earn professional growth activity units. Any such arrangements shall be reduced to writing and signed by both the employee and his/her immediate supervisor prior to the required in-service/activity as stated in Article 8.7 of this agreement.

9.2 Nature of Professional Growth Activities

- 9.2.1 The professional growth activity must be job related. The professional growth may be earned through participation in a college course, community college course, adult school, trade school, staff development program, or through educational experiences, such as attendance at institutes, lectures, workshops or seminars sponsored by educational or professional associations.
- 9.2.2 The professional growth activity must be related to the following skill areas:
 - a. Communication skills (speech, English, writing, etc.)
 - b. Interpersonal Relations/Personal Growth Skills (psychology, sociology, technical skills outside of the employee's direct job assignment, etc.).

 - d. Child development.

9.3 Approval

9.3.1 Advance approval of the professional growth activity must be obtained from the Superintendent or designee before the work is begun. The employee shall submit the 'Units contract' form prior to beginning course work or attending the workshop/conference.

9.3.2 An employee who has been denied approval of an application by the Superintendent's designee may appeal to the Superintendent. The Superintendent will make the final decision.

9.4 Verification

9.4.1 Upon completion of the professional growth activity, written verification of successful completion shall be submitted to the Superintendent or designee for approval. A grade of "C" or better is required in order to receive credit for formal courses. For other activities, a certificate of successful participation is required. Where written verification may be difficult or impossible to obtain, the employee must, at the time initial application is made for the credit, work out a means of verification with the Superintendent or designee.

9.4.2 It is the employee's responsibility to notify the District of completion of the Professional Growth Activity. Unit verification must be received by the Superintendent or designee by June 30, for salary adjustment in the next fiscal year. If verification of completion of Professional Growth Activity is not presented to the Personnel Office by June 30, the units will not be lost but must be carried over to the next fiscal year.

9.5 Awarding of Credit / Compensation

Credit will be awarded on the basis of one (1) semester unit for each 15 hours of course/activity attendance. A permanent employee shall be granted a salary award of \$50.00 upon the successful completion of six (6) semester units or approved professional growth work. Each permanent employee may earn a maximum of four (4) awards. This amount will be paid to the employee as part of their annual compensation. The salary award will be ongoing.

ARTICLE 10

WORK SCHEDULES AND HOURS OF EMPLOYMENT

- 10.1 Workweek -- The workweek shall normally consist of five (5) consecutive days of eight (8) hours per day and forty (40) hours per week. This Article shall not restrict the extension of the regular workday or workweek on an overtime basis when such is necessary to carry on the business of the District. It is understood that the determination of which five consecutive days is at the discretion of the District.
- 10.1.1 For 12 month employees, in the event of a fiscal year with greater than 260 work days, those additional days will be non-contract days and will be identified on the calendar during winter break.
- 10.2 Ten Hour Work Day -- The District may establish a 10-hour-per-day, 40 hour, four consecutive day workweek for all, or certain classes of its employees, or for employees within a class when, by reason of the work location and duties actually performed by such employees, their services are not required for a workweek of five consecutive days, provided the establishment of such a workweek has the concurrence of CSEA.
- 10.3 Workday -- Unit members shall be assigned a work schedule with a regular minimum number of hours per day, days per week and months per year, and with regular starting and quitting times. The District reserves the right to change an employee's regularly assigned starting and quitting time on a short-term basis not to exceed a period of fifteen (15) consecutive working days with written prior notice to the employee. The District shall not change an employee's regularly assigned starting and quitting time on a short-term basis for more than four instances per contract year unless agreed to by employee. (This does not apply to the Transportation Department.) The District shall meet and confer with the bargaining unit prior to implementing any permanent changes to an employee's assigned starting and quitting time.
- 10.3.1 Unit members asked to work beyond their contract hours (not eligible for overtime, as defined in 10.8) have the option to receive their regular rate of pay or accrue compensatory time with the supervisor's approval.
- 10.4 Adjustment of Assigned Time -- Any employee in the bargaining unit who is assigned to work at least fifteen (15) minutes or more per day in excess of his/her assignment for a period of twenty (20) consecutive working days or more shall have his/her regular assignment adjusted upward to reflect the longer hours, effective the next pay period.
- 10.5 Increase in Time -- When additional time is assigned to a part-time position on a regular basis, the assignment shall be offered to the employee in the appropriate class with the greatest seniority. If the senior employee declines the assignment, it shall be offered to the remaining employees in the class in descending order of seniority until the assignment is made.
- 10.6 Lunch Periods -- All employees covered by this Agreement shall be entitled to an uninterrupted duty free lunch period after the employee has been on duty for four (4) hours. The length of time for such lunch period shall be for a period of no longer than one (1) hour nor less than one-half (1/2) hour and shall be scheduled for full-time employees at or about the midpoint of each work shift.

- 10.6.1 When an emergency arises which requires an employee to work during his/her lunch period, the employee shall receive pay at the appropriate rate of pay as defined in this Agreement for all time worked during the normal lunch period, or in the alternative, have his/her lunch period rescheduled.
- 10.6.2 Cafeteria employees working four hours or more per day are provided an in-house lunch without cost.
- 10.7 Rest Periods -- All bargaining unit employees shall be granted rest periods which, insofar as practical, shall be in the middle of each work period at the rate of fifteen (15) minutes per four (4) consecutive hours worked. Rest periods are part of the regular workday and shall be compensated at the regular rate of pay of the employee.
- 10.8 Overtime -- An employee can only be compensated for overtime when it is authorized in advance by the immediate supervisor. Overtime is any time required to be worked in excess of eight (8) hours in any one-day or any time in excess of forty (40) hours in any calendar week. The District will provide either monetary compensation or compensatory time off at the option of the employee and approval of the supervisor at a rate equal to one and one-half (1 1/2) times the regular rate of pay for unit members designated by the District and authorized to perform such overtime. For the purpose of computing the number of hours worked, time during which the unit member is excused from work because of holidays, sick leave, vacation, compensated time off, or other paid leaves of absence shall be construed as time worked by the unit member.
- 10.8.1 When a four-day workweek is established by the District, the overtime rate shall be paid for all hours worked in excess of the required workday, which shall not exceed ten (10) hours. Work performed on the fifth, sixth and seventh days shall be compensated for at a rate equal to one and one-half (1 1/2) times the regular rate of pay.
- 10.8.2 Notwithstanding the foregoing, the workweek for any unit member having an average work day of four (4) hours or more during the workweek shall consist of five (5) consecutive days in paid status (refer to 10.14). Such a unit member shall be compensated for any work required to be performed on the sixth (6) and seventh (7) day at a rate equal to one and one-half (1 1/2) times the regular rate of pay.
- 10.8.3 When unit members are required to work on legal holidays or weekends, unless weekend work is the employee's contracted schedule, they shall be paid or given compensatory time off for such work at a rate of time and one-half (1 1/2) times the regular rate of pay.
- 10.9 Compensatory Time -- Compensatory time must be taken at times approved by the immediate supervisor. If comp time has not been used by the end of the current fiscal year, the hours will be paid. The employee may elect to roll over no more than 40 hours into the next fiscal year by submitting a request in writing to his/her supervisor at least 30 days before the end of the employee's assigned work year. All comp time will be logged and turned in to the immediate supervisor and the District office on a monthly basis.
- 10.10 Call Back -- Any employee called back to work after having left the work site after his/her regular assigned duty hours shall be compensated for at least two (2) hours of work regardless of actual hours of required work. This section does not include auxiliary bus runs which may fall between the morning and afternoon home to school run.

- 10.11 Fringe Benefit Credit -- All non-overtime hours in a paid status shall be credited toward vacation, sick leave, and health benefits.
- 10.11.1 Vacation hours accrued in extra duty paid status shall be paid annually in June.
- 10.11.2 Effective July 1, 2006 sick leave hours accrued in extra duty paid status shall be credited toward individual member balances if the member has accrued 4 or more hours that year. Member accruals of less than 4 hours shall be combined and credited to the catastrophic leave bank annually. CSEA will be notified annually of the balance transferred.
- 10.12 Distribution of Job Information -- Upon initial employment and each change in classification, each affected employee in the bargaining unit shall receive a copy of the applicable job description, a specification of the monthly and hourly rates applicable to his/her position, a statement of the employee's regular work site, regularly assigned work shift, the hours per day, days per week, and months per year.
- 10.13 Overtime Distribution -- The opportunity to work overtime hours within classification on a temporary basis shall be offered to each qualified employee on a seniority rotational basis, insofar as it is practical to do so. Persons declining the opportunity shall lose their turn in that rotation of the list. Nothing in this article shall limit the absolute right of the District to require the performance of overtime work when such is necessary to carry on the business of the District. Employees will be given at least 48 hours prior notice on assigned overtime, unless the need for the overtime work arises from an unforeseen circumstance.
- If no one accepts the offer of overtime and/or extra time, the supervisor/designee shall assign the work to the individual who is lowest in seniority and who is qualified and available within the department where the work is to be performed.
- 10.14 Hours in Paid Status -- "Hours in Paid Status" is defined to include all hours worked and time during which the employee is excused from work because of holidays, sick leave, vacation, compensating time off, or other paid leave of absence.
- 10.15 Date of Hire: First day worked in classification with the District.
- 10.16 Seniority -- Seniority shall be determined by date of hire. When an employee has been working in an on-site program that has been taken over by the district, for purposes of layoff only, seniority shall be calculated from the hire date with the original employer.
- In the event more than one employee is hired on the same date, seniority will be determined by drawing lots on the first day of work in classification or as close as is practical. The affected employees, the department manager, and a union representative will be present at this meeting.
- 10.17 Extra Duty Assignments -- The opportunity to work extra duty assignment hours within classification on a temporary basis shall be offered to each qualified employee on a seniority rotational basis, insofar as it is practical to do so. Persons declining the opportunity shall lose their turn in that rotation of the list.
- 10.17.1 An employee who accepts an extra duty assignment in accordance with the

provisions of this section shall receive, on a prorated basis, not less than the compensation and benefits applicable to that classification.

- 10.17.2 All hours assigned to an employee for an extra duty assignment shall be considered "Hours in Paid Status" for the purpose of this Agreement.
- 10.18 When an offer of extra duty assignment is not accepted by an employee within the appropriate classification, the assignment shall be offered, insofar as it is practical to do so, to other bargaining unit members who have submitted written letters of interest in substitute work to the District. Seniority within the bargaining unit shall be given consideration in awarding such assignments. The District's obligation to offer such work to an interested bargaining unit member shall terminate if either 1) the immediate supervisor deems the resulting substitute job performance to be less than satisfactory or 2) the unit member declines three (3) consecutive offers of substitute work in a given year. Any employee working in a substitute capacity is not covered by the terms of this contract.
- 10.19 Community Volunteers -- The District may, after notifying CSEA, use volunteers to perform duties that are not routinely performed by classified staff on any of the Sonora Union High School District campuses. Such duties may include, but not be limited to, campus beautification projects. Prior to the performance of such volunteer work, the District shall meet and confer with CSEA regarding the scope of the project, the number of unit members needed to supervise the work, and what future impact, if any, the project may have on existing staff and workloads. The parties agree that the District may not use the terms of this provision to supplant the duties of current staff or preclude the rehiring of classified staff on the thirty-nine (39) month reemployment list. The terms of this provision do not negate the District's authority to employ short-term employees in accordance with Education Code section 45103.
- 10.20 Standby – The District may offer Standby Time and determine the duration of standby time to meet operational and emergency needs. Standby time is defined as compensated time in addition to the normal workday but substantially differs from normal work for Call Back Time.
- 10.20.1 Employees assigned to the District Transportation Department shall be offered Standby Time in seniority order on a rotational basis. For purposes of providing Standby Time, the rotation will be established with each extra work bidding session in weekly increments. There shall be no Standby Time on Sundays. Employees who are unable to serve their assigned time shall contact the Director of Transportation as soon as possible and shall be replaced by an eligible employee on the list.
- 10.20.2 Participation is voluntary.
- 10.20.3 The employee is relatively free to engage in personal activities while on Standby Time, however, the employee must remain fit for duty (as defined by the MCSA 5875 Form; DMV, CHP, and CDE requirements for transporting students in district vehicles), must be able to respond to the bus yard within one (1) hour of notification, and perform duties as required.
- 10.20.4 The employee shall be compensated by the Standby rate shown on the Classified Salary Schedule.

10.20.5 A flat rate of \$5 per hour will be added to the salary schedule for bargaining unit members who are on standby when school bus trips are out after 5:00 pm or on a Saturday.

10.21 On a voluntary rotation basis, drivers on trips, including but not limited to athletic events, field trips, and extracurricular trips who are required to remain on standby for the duration of the event for which the trip is made, shall be paid for all standby hours at their regular rate of pay. - 11.9 Mileage -- Any employee required and directed to use his/her vehicle on District business shall be reimbursed at the IRS allowable rate for all miles driven.

ARTICLE 12

INSURANCE

- 12.1 Benefits -- The District contribution for employee insurance benefits is \$770.00 monthly (\$9,240 annually) for each full-time employee as of July 1, 2020.

Effective July 1, 2011, this contribution (CAP) will be used to cover the costs of medical, dental, vision, and basic life insurance within the group plans selected by CSEA, Chapter 774.

In the event that the Insurance Provider/Plan Administrator requires employee groups to limit the number of plan options available to unit members, the selection of that subset of plan options will be made by the General Membership. In addition, the selection of plan options is subject to specific guidelines defined by the Insurance Provider/Plan Administrator.

- 12.2 Employees who work less than full-time, but more than 15 hours per week will receive a pro-rated share of the benefits contribution based on the provisions described in 12.3. This amount may be applied toward the premiums of one or more of the insurances.

- 12.3 General Provisions – Effective July 1, 2021 – For purposes of determining District responsibility for premium payments for insurance (or benefits cap), the number of contracted work hours per day will be used to calculate a Full Time Equivalent or FTE. A 1.0 FTE (Full Time Equivalent) will be based on working six or more contracted hours per day. (e.g. 4 hour employees would receive 67% of the employer contribution; 5 hour employees would receive 83% of the employer contribution) An employee with a 1.0 FTE will receive the full district monthly contribution. The monthly contribution is one-twelfth of the negotiated annual amount.

Employees who were hired before January 21, 1993 will use a 7.0 hour base of daily contracted work hours to equal a 1.0 FTE calculation.

The benefits cap for part time employees eligible to participate will be pro-rated, based on their FTE or Full Time Equivalent as described above.

- 12.4 Effective July 1, 2006 any employee not receiving cash in lieu of benefits is not eligible for the difference between the District contribution and the premium(s) as an adjustment to wages. Current employees who have this benefit may continue to receive the 05-06 difference in the District contribution and cost as an adjustment to wages. This adjustment is subject to reduction or elimination in the event of future insurance rate increases.
- 12.5 District retirees may elect to continue on the District's health insurance plan, contingent upon carrier approval. All retirees taking this option shall assume responsibility for premium's cost.
- 12.6 Employees on leave without pay may continue their benefits coverage at their own expense during the period of the leave.

ARTICLE 13

EMPLOYEE EVALUATIONS

Initial placement is probationary for a period of not more than 130 days or six (6) months whichever is longer from the date of hire. At least two evaluations shall be conducted during the probationary period. Every probationary classified employee will be evaluated by his/her supervisor in writing at least twice each school year. The first evaluation will be within 60 working days of the date of hire and the second within 120 working days of the date of hire. Permanent employees will be evaluated at least once a year before June 1. Each employee will be evaluated in conference between the employee and his/her supervisor. Except in extreme cases, the District shall utilize a “progressive discipline” procedure which includes one or more of the following: oral warning(s), conferences with written memorandum of summary, and/or reprimand(s) in written form with the unit member having the right to respond in writing and have such response attached to the original reprimand, involuntary suspension without pay, dismissal, demotion, or reduction of pay step in class.
- 14.3 Causes -- Job specific training will be provided to all employees and training opportunities will be included as a mitigating factor in disciplinary action. The following constitutes just cause for disciplinary action against a permanent classified employee:
- 14.3.1 Falsifying any information supplied to the District, including but not limited to, information supplied on application forms, employment records or any other District records.
 - 14.3.2 Incompetence.

 - 14.3.9 Conviction of a felony, conviction of any sex offense made relevant by provisions of law, or conviction of a misdemeanor which is of such a nature as to adversely affect the employee’s ability to perform the duties and responsibilities of his/her position. A plea or verdict of guilty, or a conviction following a plea of nolo contendere, is deemed to be a conviction for this

purpose.

- 14.3.10 Absence without leave.
- 14.3.11 Immoral conduct.
- 14.3.12 Discourteous treatment of the public, students or other employees.
- 14.3.13 Improper political activity.

- 14.3.17 Refusal to take and subscribe any oath or affirmation which is required by law in connection with his/her employment.
- 14.3.18 A physical or mental disability which precludes the employee from the proper performance of his/her duties and responsibilities as determined by a competent medical authority, except as otherwise provided by contract or by law regulating the retirement of employees.
- 14.3.19 Unlawful discrimination, including harassment, on the basis of age race or ethnicity, color, actual or perceived ancestry, nationality, national origin, immigration status, ethnic group identification, age, religion, marital status, pregnancy or related conditions, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on his/her association with a person or group with one or more of these actual or perceived characteristics-against the public of other employees while acting in the capacity of a District employee.
- 14.3.20 Unlawful retaliation against any other District officer or employee or member of the public who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on the job or directly related thereto.
- 14.3.21 Any other failure of good behavior either during or outside of duty hours which is of such nature that it causes discredit to the District or his/her employment.

Except as provided in Section 14.3.19 above, no disciplinary action shall be taken for any cause which arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of the notice of disciplinary action unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the District.

- 14.4. Notice of Disciplinary Action -- in all cases involving a disciplinary action, the person

initiating the discipline shall file a written recommendation of disciplinary action with the Superintendent or designee. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The notice of disciplinary action shall include:

- a. A statement of the nature of the disciplinary action (suspension without pay, demotion, reduction of pay step in class or dismissal).
- b. A statement of the cause or causes for the disciplinary action, as set forth above.
- c. A statement of the specific acts or omissions upon which the causes are based and shall include dates, approximate times and the general location where the chargeable specific acts or omissions occurred. If a violation of rule, policy, or regulation of the District is alleged, the rule, policy, or regulation violated shall be stated in the recommendation.
- d. A statement of the employee's right to appeal the recommendation and the manner and time within which the appeal must be filed.
- e. A card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges.

- 14.5 Employment Status Pending Appeal or Waiver -- Except as provided herein, any employee against whom a recommendation of disciplinary action has been issued shall remain on active duty status and responsible for fulfilling the duties of the position pending his/her appeal or waiver thereof.

If the Superintendent or designee determines that a permanent classified employee should be dismissed and that his/her continuing in active duty status would present an unreasonable risk of harm to students, staff or property while proceedings are pending, the Superintendent or designee may order the employee immediately suspended from duty in conjunction with the recommendation of disciplinary action. This suspension order shall be in writing and shall state the reasons that the suspension is deemed necessary. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance. Except in cases of emergency when the employee must be removed from the premises immediately, the Superintendent or designee shall give the employee written notice of the proposed recommendation of dismissal at least five (5) working days before the effective date of any order of suspension issued in conjunction with a recommendation involving dismissal. This notice shall state that immediate suspension is being considered, the reasons for the proposed dismissal and proposed immediate suspension, materials upon which the proposed suspension is based, and the employee's right to respond to the Superintendent or designee orally (also known as a "Skelly Hearing") or in writing before the final recommendation and order are issued.

- 14.6 Time Limit of Suspension -- Except for a suspension imposed under Section 5 above, any suspension invoked under these rules against any one person for one or more periods shall not aggregate more than ninety (90) calendar days in any twelve (12) month period; however, this time limitation shall not apply to cases in which a personnel action of dismissal is modified by the Board to a suspension.

- 14.7 Right to Appeal -- Within five (5) working days after receiving the recommendation of

disciplinary action described above, the employee may appeal by signing and filing the card or paper included with the recommendation. Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of appeal. A notice of appeal is filed only by delivering the notice of appeal to the office of the Superintendent or designee during normal work hours of that office. A notice of appeal may be mailed to the office of the Superintendent or designee but must be postmarked no later than the time limit stated herein or any other time limit mutually agreed to by CSEA and the District. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any appeal of the recommendation of dismissal shall also constitute an appeal of the suspension order, and the necessity of the order shall be an issue in the appeal hearing.

If the employee fails to file a notice of appeal within the time specified above, he/she shall be deemed to have waived his/her right to appeal, and the Board may order the recommended disciplinary action into effect immediately.

- 14.8 Amended/Supplemental Charges -- At any time before an employee's appeal is finally submitted to the Board or to a hearing officer for decision, the Superintendent or designee may, with the consent of the Board or hearing officer, serve on the employee and file with the Board an amended or supplemental recommendation of personnel action.

If the amended or supplemental recommendation presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare his/her defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegations may be made orally at the hearing and shall be noted on the record.

- 14.9 Hearing Procedures -- The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the Board or hearing officer and the availability of representation and witnesses.

14.9.1 The parties shall be notified of the time and place of the hearing. The employee shall be entitled to appear personally, produce evidence, and have representation. The employee shall be entitled to a public hearing if he/she demands it when the Board is hearing the appeal. The Superintendent or designee may also have representation. Neither the Board nor a hearing officer shall be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made or approved by the hearing officer or the Board.

14.9.2 All hearings shall be heard by a hearing officer (who shall be an attorney licensed in the State of California and who will be mutually agreed upon by CSEA and the District) except in those cases where the Board determines to hear the appeal itself. In any case in which the Board hears the appeal, the Board may use the services of counsel or a hearing officer in ruling upon procedural questions, objections to evidence, and issues of law. If the appeal is heard by the Board, the Board shall affirm, modify or revoke the recommended personnel action.

14.9.3 If the appeal is heard by a hearing officer, he/she shall prepare a proposed decision in a form that may be adopted by the Board as the decision in the case. A copy of the proposed decision shall be received and filed by the Board and furnished to each party within ten (10) working days after the proposed decision

is filed by the Board. The Board may:

- a. Adopt the proposed decision in its entirety.
- b. Reduce the personnel action set forth in the proposed decision and adopt the balance of the proposed decision.
- c. Reject a proposed reduction in personnel action, approve the personnel action sought by the Superintendent or designee or any lesser penalty, and adopt the balance of the proposed decision.
- d. Reject the proposed decision in its entirety.

14.9.4 If the Board rejects the proposed decision in its entirety, each party shall be notified of such action and the Board may decide the case upon the record including the transcript, with or without the taking of additional evidence, or may refer the case to the same or another hearing officer to take additional evidence. If the case is so assigned to a hearing officer, he/she shall prepare a proposed decision, as provided in Section 14.9.3 above, upon the additional evidence and the transcript and other papers which are part of the record of the prior hearing. A copy of this proposed decision shall be furnished to each party within ten (10) days after the proposed decision is filed by the Board.

14.9.5 In arriving at a decision or a proposed decision on the propriety of the proposed personnel action, the Board or the hearing officer may consider the records of any prior personnel action proceedings against the employee in which a personnel action was ultimately sustained and any records that were contained in the employee's personnel file and introduced into evidence at the hearing, provided that the records of a previous personnel action are not older than two (2) calendar years prior to the date of notice of proposed disciplinary action.

14.10 Hearing Decision -- The decision of the Board shall be in writing and shall contain findings of fact and the personnel action approved, if any. The findings may reiterate the language of the pleadings or simply refer to them.

The decision of the Board shall be certified to the Superintendent or designee who recommended the personnel action, and he/she shall enforce and follow this decision. A copy of the decision shall be delivered to the appellant and his/her designated representative personally or by registered mail. The decision of the Board shall be final.

TRANSFERS AND VACANCIES

- 15.1 Interview Consideration -- If a new position is created or any existing position becomes vacant, internal candidates who meet the minimum job qualifications will be offered an interview, after submitting a letter of interest and necessary paperwork.
- 15.2 Posting of Notice -- Notice of all job vacancies shall be posted on bulletin boards in prominent locations at each District job site. The job vacancy notice shall remain posted for a period of at least three (3) full working days. Any employee who will be on leave or layoff on the date the position is posted shall be mailed a copy of the notice by First Class mail.
- 15.3 Notice Contents -- The job vacancy notice shall include: the job title, a brief description of the position and duties, the minimum qualifications required for the position, the assigned job site, the number of hours per day, regular assigned work shift times, days per week, and months per year assigned to the position, the salary range, and the deadline for filing to fill the vacancy.
- 15.4 Definition of Transfer -- The definition of a transfer is a reassignment from one position in a classification to another position in the same classification. This includes an increase in hours worked within that classification.
- 15.5 Definition of Promotion -- The definition of a promotion is a change in assignment to a classification at a higher range on the salary schedule.
- 15.6 Voluntary and Involuntary Transfers -- A voluntary transfer is a transfer initiated by the employee, by filing with his/her immediate supervisor and the District Superintendent. An involuntary transfer is one initiated by the District for disciplinary reasons or lack of work or lack of funds. A vacancy to which an employee is being involuntarily transferred shall not be advertised as a vacancy open for voluntary transfer.
- 15.7 Seniority -- Seniority shall be a consideration in the filling of any vacancies.
- 15.8 Medical Transfers -- The District shall give alternate work when same is available to an employee who is qualified to do the work, whose most recent evaluation is at least satisfactory and who has become medically unable to satisfactorily perform his/her regular job class duties. The alternate work may constitute promotion, lateral transfer to a related class, and with the employee's permission, demotion. Justification for a medical transfer must be verified by a statement from the employee's doctor. The District may require verification from a doctor of the District's choice.
- 15.9 Mileage Compensation During Temporary Assignments -- The District shall compensate any employee, at the IRS allowable reimbursement rate, who is assigned to a temporary work site which exceeds his/her normal home to regular work site mileage by five (5) miles or more.
- 15.10 Additional Considerations -- When a position becomes open or a new position is made and a single employee applies, who meets all qualifications, he or she may be hired without an interview.

ARTICLE 16

LEAVES

For the purpose of this article, except for 16.7 Other Sick Leave and 16.8 FMLA and CFRA programs, immediate family is defined as:

- child (biological, adoptive, foster, step, legal ward, or to whom employee stands in loco parentis), regardless of age or dependency status;
- parent (biological, adoptive, foster, step, legal guardian, or person who stood in loco parentis when employee was a minor) of the employee or the employee's spouse/registered domestic partner;
- spouse or registered domestic partner;
- grandparent;
- grandchild;
- sibling;
- daughter-in-law, son-in-law, brother-in-law, sister-in-law;
- step brother, step sister;
- aunt, uncle, niece, nephew;
- any relative living in the immediate household of the employee unless otherwise defined.

16.1 Sick Leave -- An employee shall be granted twelve (12) days of leave of absence for illness, quarantine, or injury, exclusive of all days he/she is not required to render service to the District, with full pay for a fiscal year of service. An employee who is employed for less than a full fiscal year of service is entitled to that proportion of twelve days leave of absence for illness, quarantine, or injury as the number of months he/she is employed bears to twelve (12). Example: 12 month employee receives 12 days; 10 month employee receives 10 days. All contemplated absences must be reported to the supervisor as early as possible so that arrangements for the substitute employee can be made.

16.1.1 At the beginning of each fiscal year, the full amount of sick leave granted under this section shall be credited to each employee. Credit for sick leave need not be accrued prior to taking such leave and such leave may be taken at any time during the year. However, a new employee of the District shall not be eligible to take more than six (6) days until the first day of the calendar month after completion of six (6) months of service with the District. Employees who terminate their employment with the District and have used more sick leave than they have accrued at time of termination shall have those extra unearned days deducted from their final check.

16.1.2 If an employee does not take the full amount of leave allowed in any year under this section, the amount not taken shall be accumulated from year to year.

An employee may be required to provide a medical professional's written verification for any sick leave in excess of five (5) consecutive days. Should

sick leave abuse be suspected, a medical professional's written verification may be required immediately.

Note: A medical professional is defined as a person in the medical field with a DEA number (Drug Enforcement Administration) authorized to issue medication prescriptions, i.e. Physician (MD or DO), Nurse Practitioner, or Physician Assistant.)

- 16.1.3 Sick leave may be used for diagnosis, care, or treatment of an existing health condition or preventative care for an employee or an employee's immediate family member. Sick leave may also be used by an employee who is a victim of domestic violence, sexual assault, or stalking; or for any other purpose required by federal or state law.
- 16.2 Transfer of Sick Leave from Other Districts -- The District shall accept verified unused sick leave transferred from other public school employers in California for classified employees, providing that the employee has accepted employment in this District within one (1) year of the termination of his/her former employment with another public school District in California.
- 16.3 Notification of Accrued Leave -- The District will notify each employee of the balance of his/her accrued leave once each school year, normally by November 1 on the annual payroll contract. Updated balances will be printed on the employees' monthly salary statements.
- 16.4 Industrial Accident and Illness Leave -- In addition to any other benefits that an employee may be entitled to under the Workers' Compensation Laws of this State, employees shall be entitled to the following benefits:
 - 16.4.1 An employee suffering an injury or illness arising out of and in the course and scope of his/her employment shall be entitled to a leave of up to 60 working days in any one fiscal year for the same accident or illness. This leave shall not be accumulated from year to year, and when any leave will overlap a fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred.
 - 16.4.2 Payment for wages lost on any day shall not, when added to an award granted the employee under Workers' Compensation Laws of this State, exceed the normal wage for that day.
 - 16.4.3 The industrial accident or illness leave is to be used in lieu of normal sick leave benefits. When entitlement to industrial accident or illness leave under this section has been exhausted, entitlement to other sick leave, vacation or other paid leave may then be used. If, however, an employee is still receiving temporary disability payments under the Workers' Compensation Laws of this State at the time of the exhaustion of benefits under this section, he/she shall be entitled to use only so much of his/her accumulated and available normal sick leave and vacation leave, which, when added to the Workers' Compensation award, provides for a day's pay at the regular rate of pay. Leave benefits begin on the day of accident/illness.
 - 16.4.4 Any time an employee on Industrial Accident or Illness leave is able to return

to work, he/she shall be reinstated in his/her position without loss of pay or benefits.

16.4.5 The District may require a statement from the employee's medical professional saying that he/she can resume duties without limitation or impairment.

16.5 Pregnancy Disability Leave -- The District shall provide for a leave of absence from duty for any classified employee of the District who is required to be absent from duties because of pregnancy, miscarriage, childbirth, and recovery there from. The length of the leave of absence, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the employee and the employee's medical professional. A letter verifying the length of the temporary disability shall be signed by the employee and the employee's medical professional and filed in the District Personnel Office. Disabilities caused or contributed to by pregnancy, miscarriage, and childbirth are, for all job-related purposes, temporary disabilities, and shall be treated as such under any health or disability insurance or sick leave plan available in connection with employment by the District.

Leave granted for pregnancy shall not constitute a break in continuity of service required for classification as a permanent employee. No unpaid leave after the first year shall be credited for the purpose of attaining seniority or salary increases.

Upon return to work, the employee shall be reassigned her former position provided the position she occupied at the onset of her leave still exists. Should said position no longer exist, she shall be reassigned as nearly as practical to the position which she held at the commencement of the leave.

The Employee may use any accrued sick leave as well as differential leave once all fully paid leave is exhausted.

The District shall continue to provide and pay premiums for all insurance programs while the employee is on approved maternity leave of absence but not during any extensions thereof. The employee may exercise the option to continue these premiums.

An employee may request an extension of the maternity leave for child rearing purposes. The decision to grant such a leave will be contingent upon the district's ability to secure a suitable replacement.

16.6 Spousal/Registered Domestic Partner Leave -- Personal necessity leave of up to five (5) days may be used during childbirth and recovery. Up to three (3) additional days of sick leave may be granted in the event of complications related to miscarriage, childbirth, or pregnancy. A medical professional's statement may be required to obtain the additional three (3) days.

Any employee may request an extended spousal/registered domestic partner leave of absence without pay up to six (6) months for the purpose of child-rearing. The decision to grant such a leave will be contingent upon the district's ability to secure a suitable replacement.

The District shall continue to provide and pay premiums for all insurance programs while the employee is on approved spousal/registered domestic partner leave of absence but not during any extension thereof. The employee on extended spousal/registered domestic

partner leave may elect to continue his District-provided medical coverage at his expense.

- 16.7 Entitlement to Other Sick Leave -- A regular classified employee shall, once a year, be credited with a total of one-hundred (100) working days of paid sick leave, including days to which he/she is entitled under section 45191, of the California Education Code. Such days of paid sick leave, in addition to those required by Section 45191, shall be compensated at not less than fifty (50) percent of the employee's regular salary. The paid sick leave authorized shall be exclusive of any other paid leave, holidays, vacation, or compensating time to which the employee may be entitled.

This paid sick leave is to continue with 50% pay during long term or serious illness or injury. The employee must be under a medical professional's care. Effective the first day of this 50% pay, a medical professional's written verification is required. Absences that do not meet these requirements, when all other leaves have been exhausted, will be considered unpaid leave. If such written verification is not provided, payroll deductions will be made for those unpaid absences.

- 16.8 Other Leaves (as provided by California Education Code and Federal and State Law)

16.8.1 Family and Medical Leave Act (FMLA) - FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for their employer for at least one year, and for 1,250 hours over the previous 12 months, and if there are at least 50 employees within 75 miles. The FMLA permits employees to take leave on an intermittent basis or to work a reduced schedule under certain circumstances. Unpaid leave must be granted for *any* of the following reasons:

- a. For the birth and care of the newborn child of the employee;
- b. For placement with the employee of a son or daughter for adoption or foster care;
- c. To care for an immediate family member (spouse, child, or parent) with a serious health condition; or to take medical leave when the employee is unable to work because of a serious health condition.

16.8.2 California Family Rights Act (CFRA) - To be eligible for unpaid CFRA leave, an employee must have more than 12 months of service with the employer and have worked at least 1,250 hours for that employer in the 12-month period before the leave begins. Leave may be taken for the following reasons:

- a. For the birth and care of the newborn child of the employee;
- b. For placement with the employee of a son or daughter for adoption or foster care;
- c. To care for an immediate family member (spouse, child, or parent) with a serious health condition; or to take medical leave when the employee is unable to work because of a serious health condition.

In addition to the family care and medical leave requirements of the CFRA, employers of five or more persons have additional obligations to provide Pregnancy Disability Leave

(PDL). An employee disabled by pregnancy is entitled to up to four months disability leave. For example, an employee could take four months pregnancy disability leave for her disability, and 12 weeks CFRA leave to care for and bond with the baby.

In general FMLA and CFRA leaves run concurrently from first day of absence with paid leaves. If PDL leave is involved, PDL and FMLA leave would run concurrently from first day of absence. CFRA leave would run consecutively, after the birth of the child.

16.8.3 Child Bonding Leave - Assembly Bill (AB) 2393 allows employees on Maternity/Paternity Leave under CFRA (Calif. Family Rights Act) to receive 50% pay rule (differential pay) for up to 12 school weeks for “bonding leave” for the birth or placement of a child in connection with adoption or foster care.

To be eligible for this paid leave, an employee must have worked the previous 12 months (regardless of hours worked) and must first exhaust all available sick leave. This leave runs concurrently with parental leave granted under CFRA. An employee who elects not to exhaust sick leave during the bonding leave is ineligible for the differential pay.

An employee is only provided one 12-week 50% pay rule period per maternity/paternity leave. If a school year ends before the 12-week period is exhausted, the employee may take the balance of the 12-week period in the subsequent school year.

A bonding leave need not be taken in one continuous period. Under CFRA regulations, the minimum duration of leave is two weeks; however, employers must grant requests of less than two weeks on two occasions and may grant additional requests for leaves lasting less than two weeks. Any leave taken must be concluded within one year of the birth or placement of the child.

16.9 General Leaves -- When no other leaves are available, a leave of absence may be granted to an employee on a paid or unpaid basis at any time upon any terms acceptable to CSEA, and the District, and an employee.

16.10 Additional Leave for Non-Industrial Accident or Illness -- An employee who has exhausted all entitlement to sick leave, compensatory overtime, vacation, or other available paid leave may, upon written request, be granted additional leave for up to eighteen (18) months (not to exceed increments of 6 month periods) on a paid or unpaid basis at the option of the District. Ed Code 45195

16.11 Bereavement Leave -- All employees of the District are entitled to three (3) days bereavement leave upon the death of any of the members of an employee's immediate family.

16.11.1 Up to two (2) additional days of Bereavement Leave shall be granted for travel outside of California or that exceeds 300 miles round-trip within the state. The District may require a signed statement in which it could verify the travel of 300 miles or more.

16.11.2 Bereavement leave is granted in addition to any other leaves of absence provided by law; such bereavement leave is not accumulative.

- 16.12 Personal Necessity Leave -- Up to seven (7) days of absence earned for sick leave may be used by the employee, at his/her election, in case of personal necessity on the following basis:
- 16.12.1 The death of a member of the employee's immediate family or household when additional leave is required beyond that provided under Bereavement Leave of this Article.
 - 16.12.2 As a result of an accident involving an employee's person or property or the person or property of his/her immediate family or household.
 - 16.12.3 When resulting from an appearance in any court or before any administrative tribunal as a litigant, party or witness.
 - 16.12.4 The personal business must be of such a nature that it could not be handled during off-duty hours.
 - 16.12.5 Employees may use up to four (4) days of personal necessity leave as Discretionary Leave without further explanation.
 - 16.12.6 Such "Other Personal Necessity" as may be approved by the Superintendent.
 - 16.12.7 Any days of leave taken under this section shall be deducted from sick leave.
- 16.13 Jury Duty -- An employee shall be entitled to leave without loss of pay for any time the employee is required to perform jury duty. The District shall pay the employee his/her regular rate of pay subject to the forfeiture of jury duty allowance excluding meals, mileage, and/or parking allowance. If released early, the employee will contact his/her supervisor or designee to determine if the employee needs to complete his/her regular work duty for the remainder of his/her shift or be released without use of accrued leave.
- 16.14 Military Leave -- Military leave shall be allowed as required by law.
- 16.15 Catastrophic Illness Leave -- Classified employees may participate in the Catastrophic Leave program as detailed in Administrative Regulation 4261.9.
- When a catastrophic illness or injury incapacitates an employee or a member of his/her family for an extended period of time and the employee has exhausted all paid leaves of absence, the employee may request access to the catastrophic leave bank. When the leave bank is close to being exhausted, the district will put out a call and employees may donate accrued vacation and/or sick leave credits to the catastrophic leave bank.
- Donations made under the catastrophic leave program shall be strictly voluntary and irrevocable.
- To ensure that employees retain sufficient accrued sick leave to meet needs that normally arise, donors shall not reduce their accumulated sick leave fewer than 15 days.
- When employees resign, retire, or are laid off, they may donate all accrued sick leave to the Catastrophic Leave Bank.
- 16.16 Benefits During Paid Leave -- No absence under any paid leave provision of this Article shall be considered as a break in service for any employee who is in paid status, and any

benefits accruing under the provisions of this Agreement shall continue to accrue under such absence.

EARLY RETIREMENT BENEFIT PROGRAM

Classified employees who wish to retire before being eligible for Medicare will be provided a retirement benefit program by the District.

19.1 Benefits

19.1.1 Employees will receive District paid support toward a health insurance program. The amount of support will be determined by the employee's years of service in the District. The support provided will be based on the District's current annual benefit cap being provided at the time of the employee's retirement. The dollar amount is to be applied to the plan of their choice or received as a monthly retirement supplement.

19.1.2 The retirement benefit allowance will be paid from the time the employee retires until the retiree reaches age 65, becomes Medicare eligible; or, for 7 years, whichever comes first.

19.1.2.1 These benefits may be prorated to extend the years of coverage not to exceed the maximum dollar amount described in 19.1.1 and 19.1.3.

19.1.3 The amount of this benefit is based on the number of years of service in the district:

<u>Service in years</u>	<u>Amount</u>
15 - 17 years of service	80%
18 - 19 years of service	90%
20 years or over	100%

19.1.4 Should the retiree's death, or the death of an employee otherwise eligible to retire, precede that of his/her dependents (spouse or registered domestic partner and children defined as "eligible for coverage" by the current health insurance carrier), the retirement benefit will be provided to those eligible dependents for the duration of the Retirement Agreement in place at the time of his/her death or until the dependents reach age 65, become Medicare eligible or lose eligibility, whichever comes first.

19.2 Eligibility Requirements

BIDDING PROCEDURES: TRANSPORTATION DEPARTMENT

20.1 Definitions

20.1.1 Seniority -- For the purpose of bus route bidding only, seniority will be based upon the bus driver's most recent date of hire within a bus driver classification.

20.1.2 Bus Route -- is a regular home to school route, school to home route, or regularly scheduled mid-day route.

20.1.3. Extra Work -- is a field trip or other work that occurs on an irregular basis.

20.2 Bidding Procedures

20.2.1 The District shall establish bus routes for the school year and hold a bidding session for bus drivers on or before October 1 of each school year. A list of established routes shall be made available to all bus drivers at least five (5) working days prior to bidding. The District shall assign these routes according to the driver's bid, provided the driver is qualified to drive the assigned bus and equipment as directed by the Director of Transportation and/or the Special Needs Transportation Supervisor.

20.2.2 Until the bidding procedure is complete, drivers will maintain the same routes they drove in June. New routes will be offered by the Director of Transportation and/or Special Needs Transportation Supervisor according to driver seniority until bidding occurs.

20.2.3 Service Needs, Resignations and Other Vacancies -- Shifting service needs may alter coverage required and necessitate changes in time assigned to bus routes, which may have the effect of reducing or increasing the time of regularly assigned time for bus drivers. When such changes occur, the bidding procedures shall be implemented based upon driver seniority and put into effect within the thirty (30) calendar days. Drivers may choose to waive the bidding process. The waivers must be submitted in writing and must be unanimous among drivers. If a waiver is not unanimous, the normal bidding process shall take place. Runs that are added or deleted during the year shall cause the bidding process to be implemented as above. If no qualified driver submits a bid for an available run, the Director of Transportation and/or Special Needs Transportation Supervisor shall assign the run at his/her discretion.

20.2.3.1 A driver whose bus route is less than his/her assigned hours shall be assigned work at the discretion of the District to make up the time.

20.2.4 Procedures for Regular Education Transportation

20.2.4.1 When changes occur after the bus routes have been bid for the year, and the changes result in an increase or decrease in the assigned time of

fifteen (15) minutes or more, the routes (home to school, school to home, mid-day, early or late routes) shall be re-bid bid on or before February 1.

20.2.5 Procedures for Special Needs Student Transportation

- 20.2.5.1 When changes occur after the bus routes have been bid for the year, and changes result in an increase or decrease in the assigned time of thirty (30) minutes or more, the routes (home to school, school to home, mid-day, early or late routes) shall be re-bid on or before February 1.
- 20.2.5.2 Extra work such as therapy runs and extra runs will be offered on a seniority rotational basis pending availability, feasibility of assignment and cost efficiency.
- 20.2.5.3 Filling time – If a bus route loses less than thirty (30) minutes time after the annual selection process, it is the District’s responsibility to fill the hours until a vacancy or newly created route with the appropriate number of hours becomes available. At that time the driver will be offered the assignment and have the right of first refusal. If the driver refuses the assignment, it will be considered a voluntary reduction in contract.
- 20.2.5.4 When an extra duty trip is canceled at no fault of the driver, the affected driver shall have bidding priority on the subsequent round of extra duty trips.

ARTICLE 21

DRUG TESTING - BUS DRIVERS

21.1 Drug Testing

21.1.1 Unit members who are required to possess a Class A or B commercial driver's license shall be subject to drug/alcohol testing pursuant to the requirements of the Omnibus Transportation Employee Testing Act of 1991 as fully adopted by Board Policy 4112.41.

21.1.2 Effects of a positive test:

Sonora Union High School District maintains a drug and alcohol free workplace. The Governing Board hereby notifies all employees that it will not tolerate any employee's use of drugs and/or alcohol prior to or during their performance of their job duties.

An employee whose alcohol test indicates an alcohol concentration level between .02 and .04 or whose drug test indicates the presence of a controlled substance (excluding prescription medication) below the minimal levels as set forth in the Omnibus Transportation Employee Testing Act of 1991 shall be immediately suspended without pay for at least sixty (60) working days.

This employee shall not return to paid status or perform any safety-sensitive duty until the driver has:

21.1.2.1 Been evaluated by a qualified substance abuse professional chosen by the bus driver, who shall determine what assistance, if any, is needed to resolve alcohol problems.

A substance abuse professional is a licensed physician (medical doctor or doctor of osteopathy), or licensed or certified psychologist, social worker, employee assistant professional, or addiction counselor (certified by a national association of alcoholism and drug abuse counselors certification commission) with knowledge of and clinical experience in the diagnosis and treatment of alcohol and controlled substance-related disorders.

21.1.2.2 If the substance abuse professional determines that a rehabilitation program is needed, the driver shall participate and complete the program at the employee's own expense.

If the substance abuse professional determines a rehabilitation program is not needed, the driver must participate in a drug or alcohol training program approved by the District.

21.1.2.3 Once the employee completes the appropriate program and passes a return-to-duty test with an alcohol concentration of less than .02 or a verified negative result for controlled substance use, the driver shall be

reinstated to his/her former position. Bus drivers returning to duty after the sixty (60) days shall be subject to at least six (6) tests in the first twelve (12) months of return to duty.

21.1.3 Notwithstanding the above stated provisions, bus drivers may be subject to immediate dismissal if:

21.1.3.1 The bus driver tests positive for drug or alcohol after performing any safety-sensitive function;

21.1.3.2 The bus driver refuses to submit to any tests authorized by the Omnibus Transportation Employee Testing Act of 1991;

21.1.3.3 The bus driver's alcohol concentration is .04 or greater prior to performing any safety-sensitive function;

21.1.3.4 The bus driver's drug test is above the minimal levels as set forth in the Omnibus Transportation Employee Testing Act of 1991.

21.1.3.5 The bus driver fails to complete the rehabilitation program recommended by the substance abuse professional or the drug or alcohol educational program approved by the District.

21.1.3.6 The bus driver tests positive for alcohol or controlled substances within twelve (12) months after return to duty following completion of the rehabilitation or educational program.

21.2 The District and the Governing Board are prohibited from dictating the activities of its employees during non-working hours unless such activities affect the employees' performance at work. If an employee arrives at work and believes he or she would test positive for alcohol and/or drugs, the employee must immediately report such information to his/her supervisor. The employee will be immediately subjected to a test. If the employee tests positive for alcohol or drugs, the District shall place such employee on leave while the employee is evaluated by a qualified substance abuse professional of his/her choice. The employee may use any sick or vacation leave available.

The employee shall turn over the results of the evaluation to the District. Following the evaluation by the qualified substance abuse professional, the employee shall follow the recommendations of the substance abuse professional. If the substance abuse professional determines that a rehabilitation program is needed, the driver may not return to work until the program is completed. If the substance abuse professional determines that a rehabilitation program is not needed, the driver may return to work on the condition that the driver completes the alcohol or drug educational program. During the next sixty (60) days, the driver shall be subject to unannounced follow-up testing as determined appropriate by the District.

The most effective solution is found when these differences are resolved at or close to the point of origin.
- 22.2 Definitions
- 22.2.1 Grievance -- A grievance is any alleged violation of the express terms and conditions of this Agreement.
- 22.2.2 Conferee -- A conferee may be a fellow staff member, department head, supervisor, administrator, employee organization or employer representative.
- 22.3 Procedure -- Grievances should be discussed by private conference between the parties involved without conferees. At least one private meeting between the parties to a disagreement should take place before the formal grievance procedure is invoked. The parties should seek to adjust the difficulty at the point of origin by: Obtaining advice from any appropriate division of the central office staff and/or consulting with conferees. If the grievance is not resolved at a private conference, then the grievant may declare that a grievance exists and the provisions of this regulation will be implemented. If the same complaint or substantially the same complaint is made by more than one employee against one respondent, only one employee on behalf of him/herself and the other complainants, may process the complaint through the adjustment procedure. Names of all aggrieved parties shall appear on any documents related to the settlement of the grievance. At any formal level of the grievance procedure (I-III), the grievant or the management of the District may be represented by a conferee.
- 22.3.1 Supervisor's Level (Level I) -- Within twenty working days after the complainant knew, or by reasonable diligence could have known of the condition upon which the grievance is based, the complainant must present his grievance in writing to the supervisor with immediate responsibilities for the position to which the complainant is assigned. This statement shall be a clear, concise statement of the grievance, the circumstances on which the grievance is based, the persons involved, the decision rendered at the informal conference, the remedy sought, and an outline of action taken to adjust the complaint. Either party to the grievance shall have the right to request a personal conference in order to resolve the grievance. The supervisor shall consider the grievance, render a decision, and communicate his/her decision to the grievant in writing within ten working days after formally receiving the grievance.
- 22.3.2 Superintendent's Level (Level II) -- The classified staff member may appeal the decision from Level I, in writing, to the Superintendent within ten working days after receiving it and may request a hearing. If requested, the hearing shall be

held within ten working days at which time the classified staff member may bring a conferee of his/her choice. The Superintendent shall consider the grievance, render a decision and shall communicate his/her decision to the classified staff member in writing within ten working days after the hearing.

22.3.3 Arbitrator's Level (Level III): If a satisfactory settlement of the grievance cannot be reached at Level II, the matter may be referred to an arbitrator within twenty (20) working days.

22.3.3.1 The arbitrator will be selected from a list submitted by the State Mediation and Conciliation Service. Each party will then alternately strike names until only one name remains. The order of striking will be determined by lot.

22.3.3.2 The arbitrator selected will hold hearings and issue findings which will be advisory on both parties not later than thirty (30) working days from the date of the close of the hearing.

22.3.3.3 The arbitrator's recommendation will be in writing and will set forth findings of fact, reasoning and conclusions on the issues submitted unless agreed to by the parties. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which violates the terms of this agreement or which adds to, subtracts from, or modifies any of its terms.

22.3.3.4 The cost of any arbitrator and hearing will be mutually borne equally by the parties. All other expenses will be borne by the party incurring them.

22.3.4 Referral to the Board of Trustees -- If either the Association or the District is not satisfied with the recommendation(s) of the advisory arbitrator, the matter will be referred to the Board of Education within fifteen (15) days after receipt of the advisory arbitrator's report. The Board will, within thirty (30) days after said referral, render a final determination of the grievance. ARTICLE 24

CONCERTED ACTIVITIES

- 24.1 No Concerted Activity -- It is agreed and understood that there will be no CSEA authorized, sanctioned or permitted strike, work stoppage, slow-down, picketing or refusal or failure to fully and faithfully perform job functions and responsibilities, or other interference with the operations of the District by the CSEA or by its officers, agents, or members during the term of this Agreement, including the recognition of picket lines or additional compliance with the request of other labor organizations to engage in such activity.
- 24.2 CSEA Obligation -- The CSEA recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all employees to do so. - 24.3 Discipline -- It is agreed and understood that any employee violating this Article may be subject to discipline up to and including termination by the District.

ARTICLE 25

SAVINGS PROVISION

In the event the courts invalidate any article or section of this Agreement, either party may, within ten days, request to meet and negotiate for the purpose of replacing the invalidated provision. Should such request be made, the parties agree to commence negotiations within thirty days or as provided by law.

ARTICLE 26

LAYOFF

Procedures -- Whenever, because of lack of work or lack of funds, it becomes necessary to lay off permanent or probationary employees, such layoff shall be conducted in accordance with procedures set forth in the sections below.

- 26.1 Persons laid off because of lack of work or lack of funds are eligible for re-employment for a period of thirty-nine (39) months and shall be re-employed in preference to new applicants, provided they meet qualifications for the position. In addition, such persons laid off have the right to participate in promotional examinations within the District during the period of thirty-nine (39) months. Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff or who choose to remain in their present positions rather than be reclassified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for re-employment for an additional period of up to twenty-four (24) months; provided that the same tests of fitness under which they qualified for appointment to the class shall still apply. Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the option of the employee, returned to a position in their former class or to positions with increased assigned time as vacancies become available, and without limitation of time, but if there is a valid re-employment list, they shall be ranked on that list in accordance with their proper seniority. Employees in laid off status who refuse three offers of re-employment shall be deemed to have exhausted any and all rights to re-employment.
- 26.2 No volunteer, substitute, short-term employee or student will perform work ordinarily performed by the person laid off.
- 26.3 Classified employees shall be subject to layoff for lack of work or lack of funds. Whenever a classified employee is laid off, the order of layoff within the class shall be determined by seniority. Re-employment shall be in the reverse order of layoff.
- 26.4 Notice of Layoff -- When a layoff of classified employees is anticipated by the administration, and at least seven (7) working days before any Board action is taken on layoff of classified employees, the District shall notify CSEA in writing of the proposed action. The District will attempt to provide CSEA with an updated seniority roster for the classification in which the layoff is anticipated, ten working days before notices are sent to employees. A list of positions and/or hours recommended for reduction or elimination, and for information only, any non-confidential documents supporting the need for layoff will be furnished to CSEA at the time such information is given to the Board of Education.
- 26.5 Once the Board takes action to layoff or reduce the hours of classified staff, the Board's action shall become effective sixty (60) calendar days from the date that notice is sent certified mail or provided to the appropriate classified unit members.
- 26.6 The Governing Board may eliminate a classified assignment without providing the notice required above in the following two situations:

- a. A layoff for a lack of funds in the event of an actual and existing financial inability to pay the salaries of classified employees.
 - b. A layoff for a lack of work resulting from causes not foreseeable or preventable by the governing board.
- 26.7 Bumping Rights -- An employee laid off from his/her present classification may bump into the next equal or lower classification in which the employee has greater seniority. The employee may continue to bump into such equal or lower classifications to avoid layoff provided the employee has worked previously in the lower classification and has achieved permanent status.

ARTICLE 27

FULL UNDERSTANDING, MODIFICATION, WAIVER
